

Strategy Knotworking - Worksheet

Develop and evolve sustainable strategies

Purpose

What is the fundamental purpose of our work?

Baseline

Where are we starting, honestly?

Action and Evaluation

What are our next steps and how will we know we are making progress?

Ambition

Based on what we discovered, what is now made possible?

Challenges

What are the critical uncertainties and paradoxical challenges we must face to make progress?

Context

What is happening around us that demands change?

Purpose

What is the fundamental purpose of our work?

Baseline

Where are we starting, honestly?

Context

What is happening around us that demands change?

Challenges

What are the critical uncertainties and paradoxical challenges we must face to make progress?

Ambition

Based on what we discovered,
what is now made possible?

Action and Evaluation

What are our next steps and how will we know we are making progress?

Strategy Knotworking

Develop and evolve sustainable strategies

Consider exploring the six parts with various Liberating Structures

Purpose

What is the fundamental purpose of our work?

TRIZ  Drawing Together  9 whys 

Ambition

Based on what we discovered, what is now made possible?

25/10  25/10  Min Specs  Integrated Autonomy 

Action and Evaluation

What are our next steps and how will we know we are making progress?

WINFY  Ecocycle Planning  15% Solutions 

Baseline

Where are we starting, honestly?

Discovery and Action Dialogue  Ecocycle Planning  What, So What, Now What 

Challenges

What are the critical uncertainties and paradoxical challenges we must face to make progress?

Wicked Questions  Critical Uncertainties  Panarchy 

Context
