

Columinity

Principle #1

Start with purpose and ambition

Columinity

Principle #2

Focus on building trust and
psychological safety

Columinity

Principle #3

Invite participation,
don't make it mandatory

Columinity

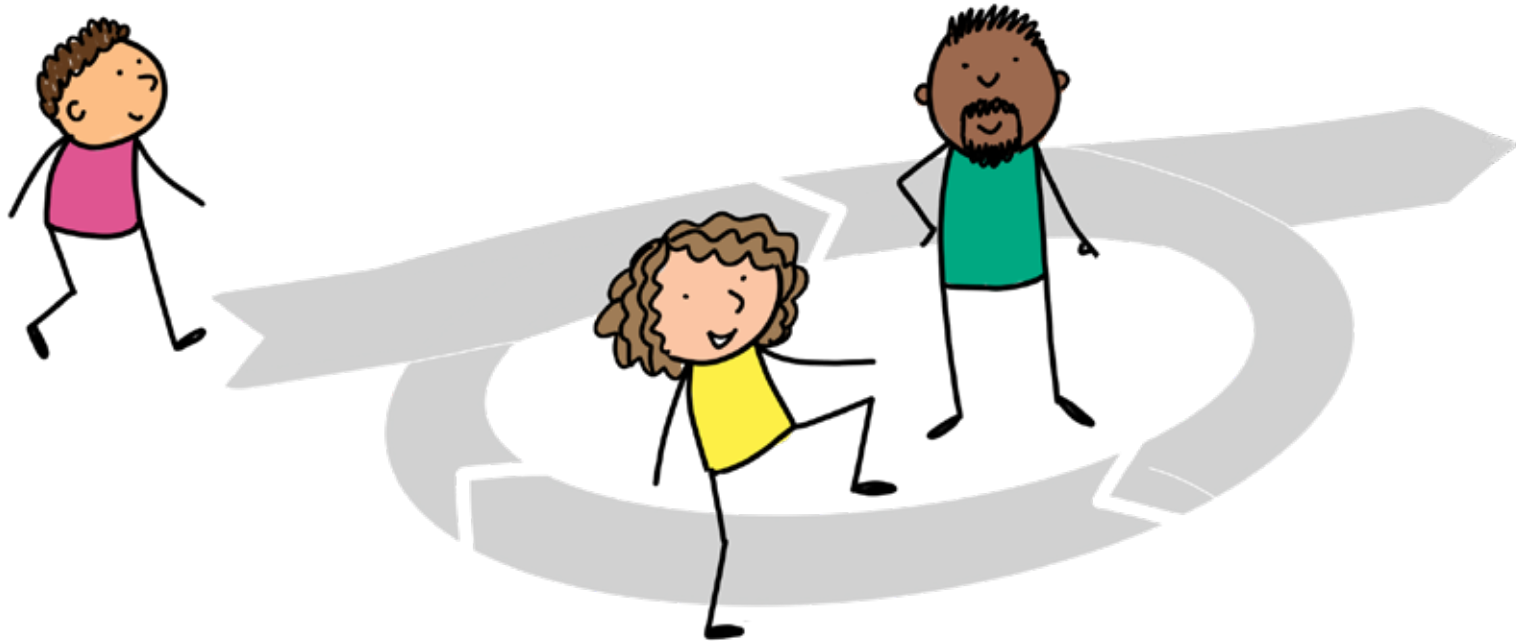

Principle #4

Begin with a shared kickoff

Columinity

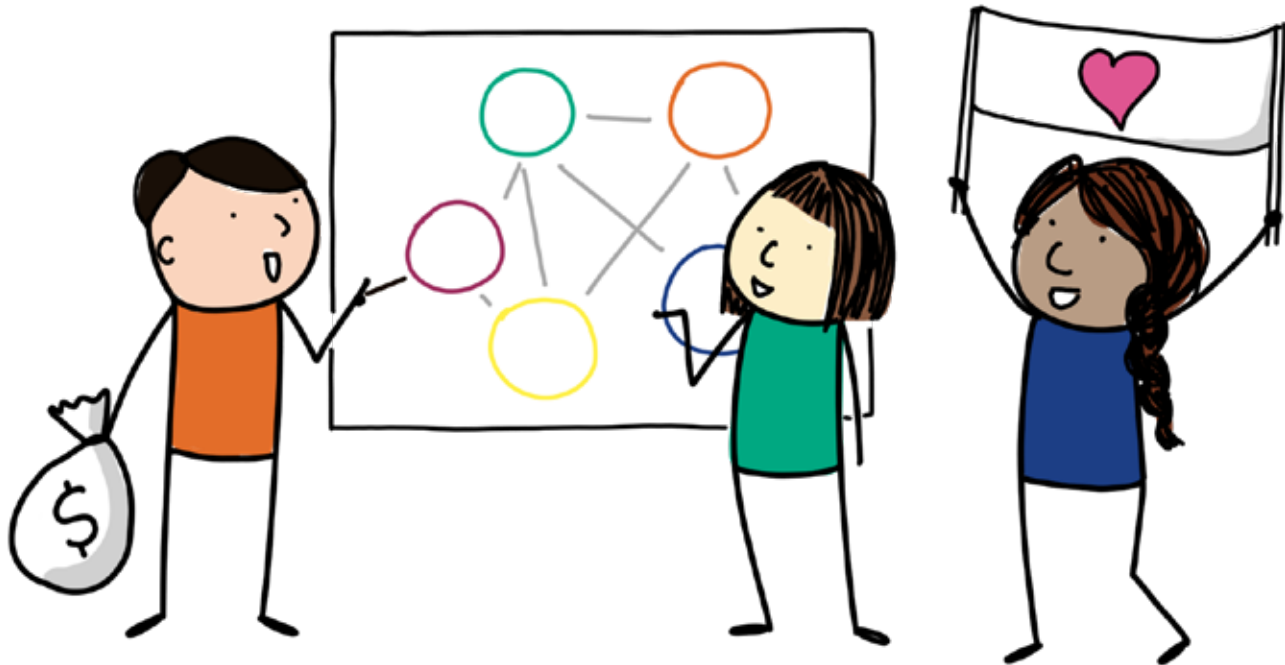

Principle #5

Let teams be central
to the process

Columinity

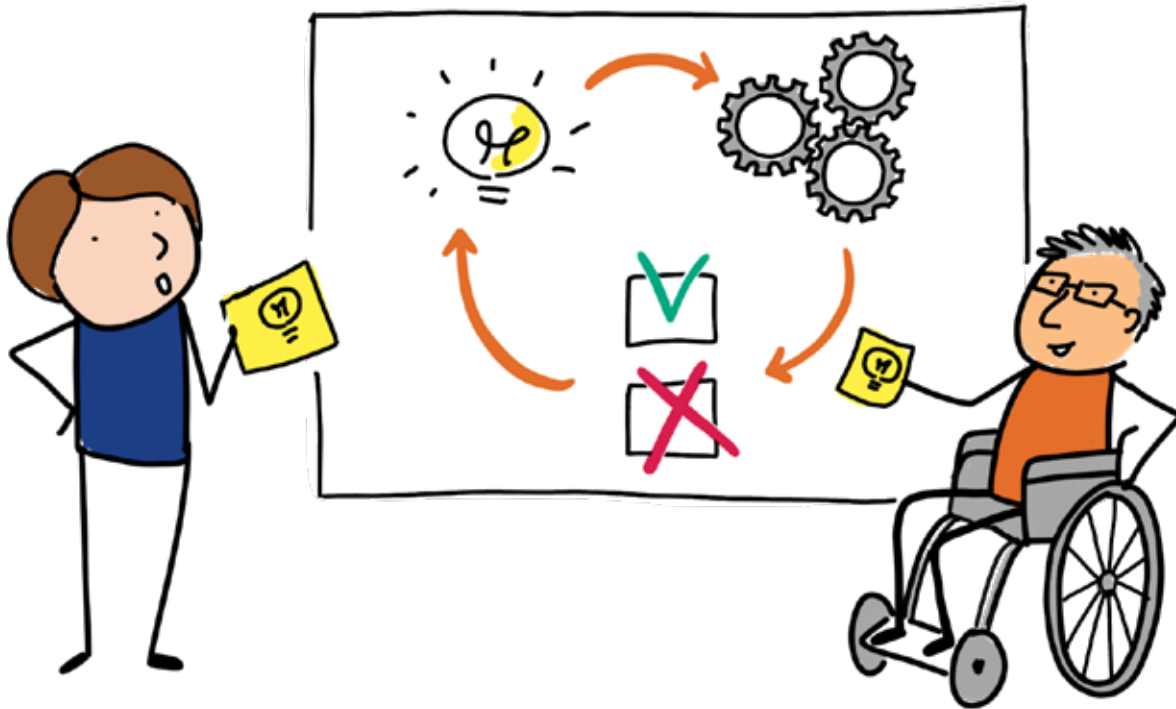

Principle #6

Include stakeholders
and supporters

Columinity

Principle #7

Experiment with workshops
and small improvements

Columinity

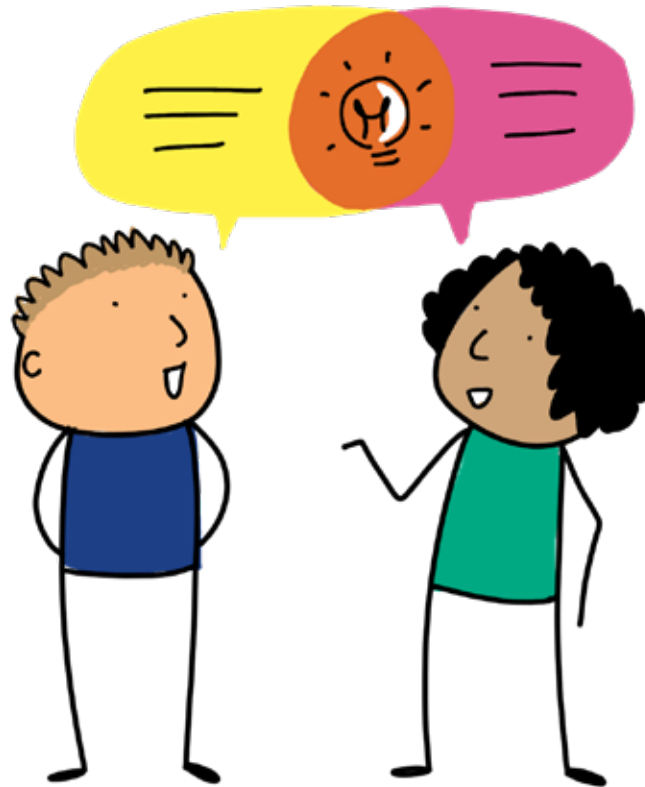

Principle #8

Analyze the results together
and look for patterns

Columinity

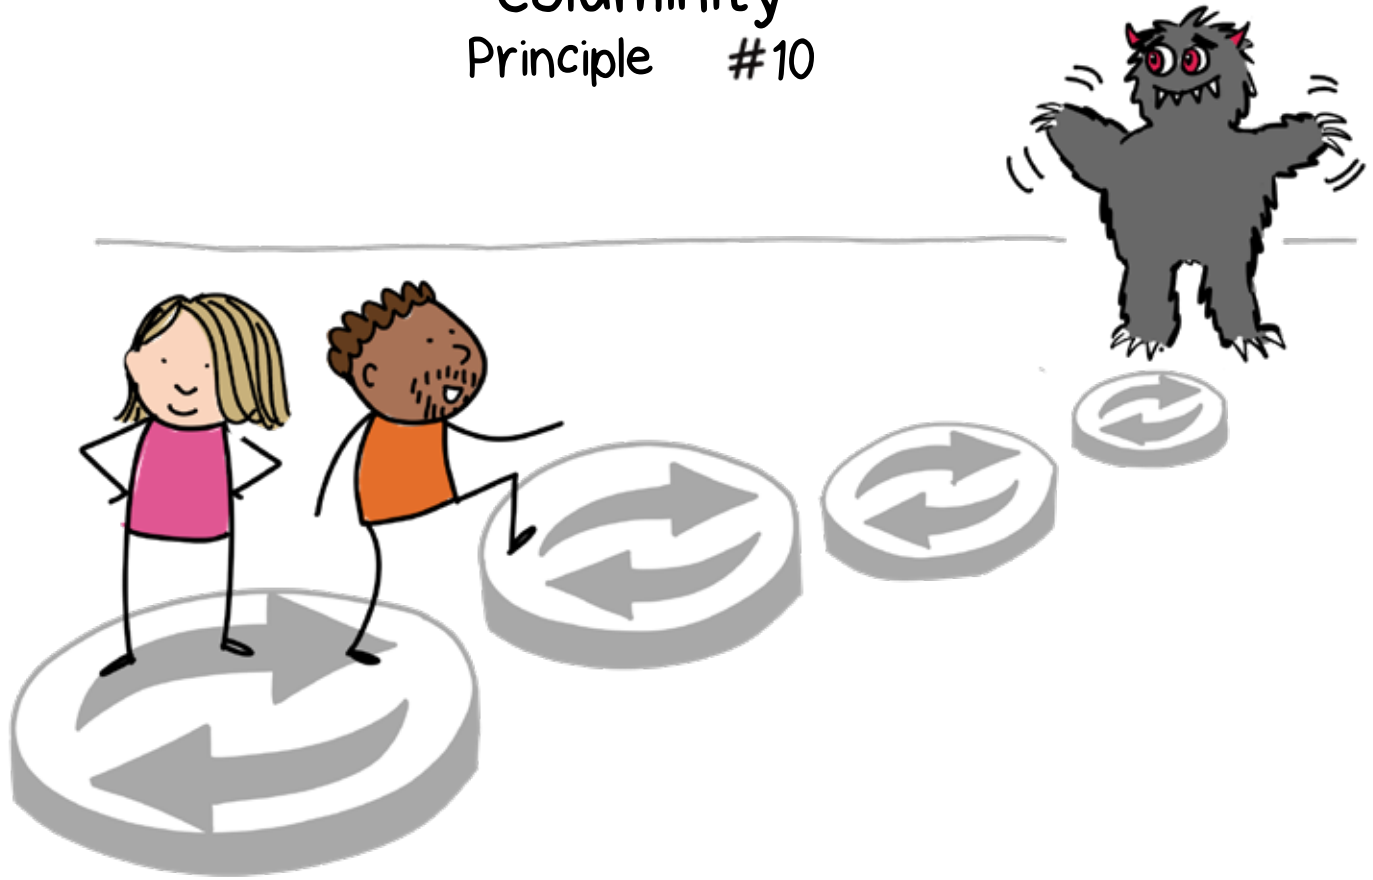

Principle #9

Focus on powerful conversations,
not just data

Columinity

Principle #10

Create a rhythm to continuously
inspect and adapt
